THE UNIVERSITY OF MELBOURNE

MELBOURNE SCHOOL OF ENGINEERING

The MSE Engineering Learning Unit
Tutor Development Program

Certificate of Participation

Semester 1, 2018

A program of six, 2 hour intensive workshops for Engineering and Computing & Information Systems tutors

Andreas Scherbakov

Aspects covered during these workshops:

- Models of learning with emphasis on learner-centred pedagogies
- Deep and surface learning
- Effective questioning to provoke learning
- Scaffolds to support learning
- Fostering active engagement during tutorials
- Peer assisted teaching & learning
- Inclusive teaching

Susan Wright

Dr Susan Wright

DipTeach (Primary), B.Ed, PostGrad B.Ed (EdStudies), MEd, PhD

Program Facilitator

Professor David Shallcross

BE(Chem) (Hons), PhD, FIChemE

Director, Engineering Learning Unit
